Our number one concern is the safety and well-being of all students and staff. We will be communicating with all patrons sometime tomorrow (Wednesday) about any other information regarding school closure, etc. Thank you for your patience during this tumultuous time.

Please see the information below regarding food services being provided by the Warrensburg R-6 School District beginning tomorrow (Wednesday, March 18th). Please share this information with anyone who has school-age students.

Burg Bites: Meal support for children ages 0-18 yrs!

Starting Wednesday, March 18th

from 10:30 a.m. - 12:30 p.m.

Prepackaged meals (breakfast and lunch) will be offered at

Sterling, Reese, Martin Warren, Maple Grove, and the High School.

To better slow the spread of Coronavirus, we are following suggested Federal guidelines of 10 people or less in groups. These meals will be walked to your car.

Go to the student drop off line at any of the schools (does not have to be the school your child attends) and look for signs that say meal pick-up.
