

Equal Education Opportunity/Section 504 Procedural Safeguards

Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act were designed to eliminate discrimination on the basis of disability. To that end, Section 504 provides, in pertinent part, as follows:

No otherwise qualified individual with a disability in the United States . . . shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance . . .

A disabled person under Section 504 is defined as any person who has a physical or mental impairment that substantially limits one or more major life activities.

Pursuant to Subpart D of the 504 federal regulations, a recipient of federal financial assistance that operates a public elementary or secondary education program must establish and implement, with respect to actions regarding the identification, evaluation, or educational placement of persons who, because of disability, need or are believed to need special instruction or related services, a system of procedural safeguards. The following is a description of the procedural safeguards or rights granted by federal law to students with 504 disabilities and/or their parents or legal guardians and to those students who are suspected of having a 504 disability and/or their parents or legal guardians. Parents/guardian of students who are suspected of or identified with a disability under the Individuals with Disabilities Education Act are provided with copies of the IDEA procedural safeguards unless those students have a separately identified 504 disability that is not addressed through an IEP.

Parent and Student Rights Under Section 504:

1. Parents/guardian and students have the right to be informed by the School District of their rights under Section 504. The purpose of these Procedural Safeguards is to advise you of those rights.
2. A student with a 504 disability has the right to a free appropriate public education. An appropriate education is defined as the provision of regular or special education and related aids and services that are designed to meet the individual educational needs of the disabled person as adequately as the needs of nondisabled persons are met and are based upon adherence to 504 regulatory procedures.
3. The provision of a free education is the provision of educational and related services without cost to the disabled person or to his or her parents or guardian, except for those fees that are imposed on nondisabled persons or their parents or guardian. Funds available from any public or private agency may be used to meet this requirement. Under the law, insurers and other third parties are not relieved from an otherwise valid obligation to provide or pay for services for a disabled student.
4. A child with a disability has the right to take part in, and receive benefits from, public education programs without discrimination because of his/her disability.
5. The parents(s) or guardian of a child with a disability have the right to receive notice with respect to the identification, evaluation, or placement of the child.
6. A student with a disability has the right to receive services and be educated in facilities that are comparable to those provided to nondisabled students.
7. A student with a disability has the right to have evaluation, education and placement decisions made based on a variety of information sources, and by persons who know the student and are knowledgeable

about the evaluation data and placement options. The student also has the right to be periodically reevaluated.

8. A student with a disability has an equal opportunity to participate in nonacademic and extracurricular activities offered by the District.
9. A student with a disability has the right to have transportation provided to and from an alternative placement setting (if the setting is in a program not operated by the District) at no greater cost to the parent/guardian than would be incurred if the student were placed in a program operated by the District.
10. The parents/guardian of a student with a disability or an eligible student (over the age of 18) have the right to examine all relevant records relating to decisions regarding the student's identification, evaluation and placement.
11. The parents/guardian of a student with a disability or an eligible student and/or the District have the right to request an impartial due process hearing relating to decisions or actions relating to the student's identification, evaluation, program or placement and the parents or guardian have the right to be represented by counsel in such hearings. The parents or guardian or eligible student and/or the District also have the right to a review procedure involving such hearings. The procedures for requesting an impartial due process hearing and the relevant review procedures are described below.
12. The parents/guardian of a student with a disability or an eligible student have the right to file a local grievance with the District for issues unrelated to the identification, evaluation, program or placement of the student. Board Policy 1621 describes the procedures for filing a grievance and can be requested by contacting: Assistant Superintendent for Student Services.

Persons who believe that the district is discriminating against eligible persons on the basis of disability may also file complaints with the District's Section 504 Coordinator and/or OCR, U.S. Department of Education, One Petticoat Lane, 1010 Walnut Street, Suite 320, Kansas City, Missouri 64106. The Kansas City office's jurisdiction extends to the states of Kansas, Missouri, Nebraska, South Dakota, and Oklahoma. For a list of other regional offices and their coverage area, see www.ed.gov.

1. If a parent, legal guardian or eligible student intends to challenge the action proposed or refused by the District, the parent/guardian or eligible student must file a written Request for 504 Due Process Hearing within ninety (90) calendar days from the date of the District's written notice of the proposed or refused action. The hearing officer may not have a personal or professional interest that would conflict with his/her objectivity in the hearing. 6. The hearing officer must hold the hearing within 30 days of his/her appointment as hearing officer. This timeline may be extended upon the request of the party or parties and by agreement and order of the

hearing officer.

7. Each hearing must be conducted at a time and place which is reasonably convenient to the District and the parents or guardian. The District's facilities will be presumed to be a reasonably convenient location but the parents or guardian may challenge this presumption with the hearing officer.
8. The party that requested the due process hearing may not raise issues at the due process hearing that were not addressed in the Request for a 504 Due Process Hearing unless the other party agrees.
