Dear Parents/Guardians,

Earlier today, Johnson County Community Health Services issued a press release stating that they have "reduced quarantine restrictions for anyone who may have been exposed to COVID-19. The time required for a close contact to quarantine is reduced from 14 to 10 days." To read the full press release, please click [here](#).

The District will follow the guidance of JCCHS and decrease the number of quarantine days for a close contact from 14 days to 10 days.

If you have any questions or concerns, please contact Mr. Brian Wishard, Assistant Superintendent for Student Services, at 660-747-7823 or [bwishard@warrensbuigr6.org](mailto:bwishard@warrensbuigr6.org).
