Mr. Brian Wishard, Assistant Superintendent

April 1, 2021

Dear Parents/Guardians:

On Monday, March 22, 2021, Governor Parson proclaimed **April as the Month of the Military Child**. As Governor Parson explained, "Proclaiming April as the Month of the Military Child pays tribute to military children across our state for their commitment and sacrifice as they support the military service member in their family,"....."When parents serve our country, their kids serve too."

As a district, we also want to recognize and celebrate our students who sacrifice and serve alongside their families. Throughout the month, there will be recognitions and celebrations of these students in each school, along with a special district-wide "Purple Up" Day **on Tuesday, April 13**. Over the years, purple has been used during this month to represent all military branches, so we encourage students and staff alike to wear purple that day.

To our military students and families, we say THANK YOU!

Andy
