Dear Parents/Guardians,

On Tuesday, January 25, 2022, the Board of Education conducted their six-month review of the district's Safe Return to In-Person Instruction and Continuity of Services Plan (SRCSP). The Board voted to approve the Plan, which included a decrease in the metrics threshold from three percent to two percent. If two percent of the total number of staff and students at a building are COVID positive, that building will have masks required until they have two successive Fridays (shown on the weekly update of the [COVID Dashboard](#)) below the two percent threshold.

The board-approved SRCSP can be found on the [district website](#).

Thank you for your continued support as we strive to keep our staff and students safe.

Andy
