

We would like to welcome parents, staff, students, and community members to the 2022-23 school year. We look forward to another great year of promoting student growth in academics and activities as well as social and emotional. This year's district theme is "Tiger Pride". Our buildings will focus this year on the positive characteristics of Teamwork, Integrity, Grit, Enthusiasm, and Respect. You should see excitement and displays of "Tiger Pride" throughout our buildings.

We would like to thank you for your cooperation and understanding over the last two and a half years as we have worked to keep students and staff safe in an in-person instructional format as much as possible. Our success would not have been possible without your support. You will find that most of our traditional opportunities for parent/guardian interaction with buildings are back to normal. We are excited to have parents/guardians, grandparents, and community members back in our buildings.

Parents and guardians, if you have not already done so, please complete the Free and Reduced Lunch form on our website www.warrensburgr6.org or at <https://lunchapplication.com/> regardless of whether or not you think you may qualify. This allows us to qualify for different state and federal grants that can have a positive impact on our students and stretch your local tax dollars.

We are anxiously awaiting the arrival of all students tomorrow and value the trust our parents and community have in our district to provide the best possible education for these young people. We will always do our very best to educate every child, helping them develop into the most prepared college and career-ready students possible.

Have a wonderful year!
Andy
