Ms. Shelbie Dalton, Director of Special Programs

Dr. Andy Kohl, Assistant Superintendent
Dr. Michael Scott, Assistant Superintendent
Mrs. Jackie Duvall, Director of Curriculum and Assessment

March 27, 2020

Good afternoon,

On behalf of the Warrensburg R-VI School District, I hope everyone is doing well, staying healthy, and being safe. As we all navigate through this difficult time, just know that together we will be stronger when things get back to normal.

Our district staff has and will continue to work diligently to provide educational resources for students and families. I would encourage you to communicate with your student's teacher(s) (if you haven't already).

Here is some additional information regarding our Food Service program:

Over the last seven weekdays, our Food Service program has supplied and distributed 6,869 meals to students and families. I fully expect this number to be over 8,300 after today. Our food service personnel along with some of our Adventure Club staff have done an amazing job of preparing and distributing food to our school community. We cannot begin to thank them enough!

Because of the increasing number of meals that we are providing, and the fact that 245+ of these meals are being delivered (door to door), beginning next week, we will be distributing on **Monday, Wednesday, and Friday instead of each day**. On Monday's and Wednesday's, we will be providing meals for two days (4 meals) for everyone, and Friday will be normal (2 meals). We will continue to distribute from all five buildings (Sterling, Reese, Martin Warren, Maple Grove and the high school).

Here is a link to a video produced by the State of Missouri for kids regarding COVID-19:

Lastly, I want to thank everyone for their patience and flexibility during this unprecedented time. Please know that our number one concern is, and always will be, the students of our district.

Stay safe!

Scott Patrick

District Superintendent
