Dr. Andy Kohl, Assistant Superintendent
Dr. Michael Scott, Assistant Superintendent

Mrs. Jackie Duvall, Director of Curriculum and Assessment

April 1, 2020

Good evening,

I hope everyone is staying safe and healthy. Based upon the Johnson County, MO Stay at Home order effective today at noon, <http://johnsoncountyhealth.org/stay-at-home/>, the Warrensburg R-6 School District will remain closed through April 30. The previous closure was through April 24. We will continue to keep everyone updated as soon as possible regarding school closure.

The district **will** continue to provide food service to any school-age student as food services are considered essential activities. To date, our school district has served almost 15,000 meals to students in the last two weeks. We continue to thank our food service personnel and others who make this possible.

I have received many questions about events such as prom, graduation, field trips, etc., that take place at the end of the school year. We hope to have answers to these questions soon, but it is still too soon to know what to expect. I promise that as soon as we can, we will update everyone about these events.

Our Warrensburg R-6 staff has done a wonderful job of communicating with most students/parents. We ask that you continue to touch-base with our staff members as needed. We are here to help you any way we can.

Most importantly, please stay safe and healthy during this crisis.

Thank you,

Scott Patrick
Superintendent
