Dr. Andy Kohl, District Superintendent
Ms. Shelbie Dalton, Director of Special Programs

Dr. Troy Marnholtz, Assistant Superintendent
Mr. Brian Wishard, Assistant Superintendent

September 10, 2020

Dear Parents/Guardians:

This morning the District was notified of three confirmed positive COVID-19 cases - two at Warrensburg High School and one at Martin Warren Elementary. As a reminder, the identity of those who tested positive will not be released due to privacy rights.

The District follows the Johnson County Community Health Guidelines that define Close Contact as any individual who was within six (6) feet or less for an accumulative time of fifteen (15) minutes or more, with or without a face covering. The parents/guardians of those students who were considered as having close contact were notified and asked to pick up their student(s). Those parents were provided the date of the last known contact as students are required to quarantine for 14 days after the last known contact with a positive individual. Parents who were notified by the schools will also be receiving a phone call from Johnson County Community Health Services within the next few days.

Please continue to monitor your student(s) for symptoms prior to sending them to school. To keep students safe and healthy, our District actively monitors and responds to all known illnesses within our schools. If you should have any questions or feedback, please contact Mr. Brian Wishard, Assistant Superintendent for Student Services at 660-747-7823 or bwishard@warrensburgr6.org.

We are appreciative of your support and understanding as we work together to keep our students safe.

Andy
