Dear Parents and Guardians:

The District was notified today of a positive COVID-19 case at Ridge View Elementary. As a reminder, the identity of those who test positive cannot be released due to privacy rights.

The District follows the Johnson County Community Health Guidelines that define Close Contact as any individual who was within six (6) feet or less for an accumulative time of fifteen (15) minutes or more. The parents/guardians of those students who were considered as having close contact were notified by the school, provided the dates that their student(s) must quarantine, and will be contacted by Johnson County Community Health Services.

The District currently has 5 active COVID-19 cases with approximately 75 individuals quarantined due to close contact.

As always, our main goal as a District is to do everything we can to ensure the safety and health of our students and staff as well as to respond to all known illnesses within our schools. We want to remind all individuals to stay home if you are ill or if you are displaying signs of illness that may be related to COVID-19.

If you should have any questions or feedback, please contact Mr. Brian Wishard, Assistant Superintendent for Student Services at 660-747-7823 or [bwishard@warrensburgr6.org](mailto:bwishard@warrensburgr6.org).
