Dear Parents and Guardians:

Due to two positive cases within the high school football program and the resulting number of students quarantined, the following football games have been postponed or rescheduled:

- The Varsity Football game scheduled for this Friday, October 2nd at Odessa High School has been postponed.
- The JV Football game scheduled for Monday, October 5th vs. Odessa (at home) has been postponed.
- The Varsity Football game scheduled for Friday, October 9th at home vs. Pleasant Hill has been moved to Saturday, October 10th. Time and location are TBA.

As a reminder, the identity of those who test positive cannot be released due to privacy rights. The District follows the Johnson County Community Health Guidelines that define Close Contact as any individual who was within six (6) feet or less for an accumulative time of fifteen (15) minutes or more. The parents/guardians of those students who were considered as having close contact were notified by the school and provided the dates that their student(s) must quarantine.

As always, our main goal as a District is to do everything we can to ensure the safety and health of our students and staff as well as to respond to all known illnesses within our schools. We want to remind all individuals to stay home if you are ill or if you are displaying signs of illness that may be related to COVID-19.

If you should have any questions or feedback, please contact Mr. Brian Wishard, Assistant Superintendent for Student Services at 660-747-7823 or [bwishard@warrensbουργr6.org](mailto:bwishard@warrensbουργr6.org).
