Ms. Shelbie Dalton, Director of Special Programs

Dr. Andy Kohl, Assistant Superintendent  
Dr. Michael Scott, Assistant Superintendent

Mrs. Jackie Duvall, Director of Curriculum and Assessment

March 23, 2020

Good afternoon,

Here is the latest update regarding school closure in the Warrensburg R-VI School District due to the Coronavirus Disease (COVID-19).

Based upon the public health emergency order issued by the Johnson County Community Health Services on March 19, 2020 (<http://johnsoncountyhealth.org/news/>), and the mandatory order issued by Jackson County Missouri (we have many staff members that reside in Jackson County), the Warrensburg R-VI School District will be extending school closure until **April 24, 2020**. The previous closure was through April 3, 2020.

We will continue to send updates to patrons as we have them, especially regarding educational services and/or resources. You can expect to hear from your child's school soon.

Meals (breakfast and lunch) for all children ages 0-18 will continue to be distributed by our Food Services personnel at Sterling, Reese, Martin Warren, Maple Grove, and the high school. You do not have to pick-up meals at the school your child attends.

As most of you are probably aware, the Department of Elementary and Secondary Education has cancelled all state assessments (MAP, EOC) for this year, and we will not be required to make-up any lost school days due to COVID-19. When we receive any additional information, we will keep everyone updated.

Please continue to follow all COVID-19 guidelines:

As always, if you have specific questions, please do not hesitate to communicate with the school district. Thank you for your continued patience and understanding during this trying time. Above and beyond all else, keep your family safe.

Thank you,  
Scott Patrick  
District Superintendent
